- Collaborated with designers and marketers to translate wireframes into **pixel-perfect, mobile-first interfaces**.
- Optimized websites for **SEO, accessibility, and cross-browser compatibility**, improving client satisfaction and retention.
- **Technologies used:** HTML5, CSS3, JavaScript, React.js, Git, WordPress

Spanco Web Technology Private Limited   Oct. 2023 – Apr. 2024
Front-end Developer Intern   *Kota, Rajasthan*

- Developed and maintained responsive websites using **HTML5**, **CSS3**, **Bootstrap**, **JavaScript**, to improve user experience and accessibility across various devices.
- Collaborated with design and backend teams to create interactive and cross-browser compatible web pages, ensuring a consistent user interface and experience.

Projects

MITU Digital Media Website | HTML5, CSS3, JavaScript, Bootstrap   **Live Site**
  * Developed the company's official website using **HTML5**, **CSS3**, and **JavaScript** to create a professional online presence with responsive design.
  * Implemented **Bootstrap** framework for mobile-first responsive layout, ensuring optimal viewing across all devices and screen sizes.
  * Integrated **Google Forms** for lead generation and client inquiries, streamlining the business communication process.
  * Enhanced user experience with interactive elements and smooth animations using vanilla JavaScript.

WP Theme | HTML, CSS, Bootstrap, JavaScript, WordPress   **Project Link**
  * Developed a custom **WordPress** theme emphasizing responsive design and cross-browser compatibility.
  * Utilized **HTML**, **CSS**, and **Bootstrap** for front-end styling and layout, ensuring a consistent user experience across devices and browsers.
  * Implemented **JavaScript** for interactive features, enhancing user engagement and functionality.
  * Employed **WordPress** to integrate dynamic content management capabilities, providing an adaptable and user-friendly platform.
